

Attenuator Kits

SO MANY OPTIONS!

Specialized Products Company offers you the flexibility to purchase preconfigured kits or customize your kit to include the case, attenuators and IBC One Click cleaners for a total solution.

SPC850

Specialized SPC850 Large Parts Box Attenuators and IBC One Click Kit includes:

- FiberXP premium grade optical attenuators with a Zirconia ferrule, doped attenuation fiber type for single mode UPC, FC, LC and SC applications.
- The Durham LPADJ-CLEAR Large Parts Plastic Box has adjustable sections to house the 5 of each attenuators and 1 each of the US Conec IBC One Click cleaners.
- The large parts box comes with inserts to create your own compartments. This high-strength oil resistant box is made of polypropylene with reinforced hinges and covers which fit snugly against a shelf-like ledge. The large parts box measures 13-1/8" x 9" x 2-5/16".
- The US Conec One Click cleaners are specifically designed to clean LC/UPC, LC/APC and MU (9393 model) or SC, FC, ST (UPC/APC) (9392 model) optical-fiber ferrule connections in an adapter, faceplate or bulkhead. They feature dry cloth technology and the dust cap acts as an adapter for cleaning unmated connectors. The guide cap allows cleaning of connector end faces. These are designed for simplex connections and are simple to use and highly effective at removing oil and dust contaminants that can impact optical performance negatively. Each unit provides over 500 cleanings.

Specialized SPC801 Large Plastic Parts Box UPC Attenuators Kit includes:

- FiberXP premium grade optical fixed attenuators with a Zirconia ferrule, doped attenuation fiber type for single mode UPC ST, SC, FC, and LC applications.
- The Durham LP24-CLEAR Large Transparent Plastic Parts Box has twenty-four square scoop compartments.
- This high-strength, oil-resistant box is made of polypropylene. It has reinforced hinges and covers which fit snugly against a shelf-like ledge. Two snap latches assure firm closure, extra protection from dust and moisture, and secure part storage.
- Large parts boxes measure 13-1/8" x 9" x 2-5/16" and are available in six configurations. The large rack (037X291) is available separately.
