

**VAULT BY PELICAN**

COMM/GOV DIVISION

SINCE 1976

#### **PUSH-BUTTON LATCHES**

Deliver positive closure and smooth opening while preventing unintentional disengagement.

#### **WEATHER RESISTANT**

Cases are sealed against moisture and dust for long-term confidence in harsh conditions.

#### **HIGH-IMPACT POLYMER**

Tested and proven tough, with an optimum blend of rigidity and flexibility to protect from impact and cracking.

### **BEFORE, THERE WAS ONLY ONE REASON TO BUY AN “OFF BRAND” CASE.**

If you've always wanted a Pelican™ case but had to settle for an imitator, we have some very good news. The new Vault by Pelican™ line of cases has the features you need at a price you'll love. Like push-button latches, an equalizing purge valve and stainless steel hardware. All from the brand that invented the first O-ring sealed polymer case 42 years ago. And with 3 additional premium case lines, Pelican will protect your gear for a lifetime.

#### **STAINLESS STEEL HASPS**

For reinforced security with the addition of padlocks.

#### **HEAVY-DUTY HANDLES**

Made extra tough for reliable service, day in and day out.

Your favorite gear deserves a Vault by Pelican™ case. Our all-new line of hard cases gets you more protection for your money. In toughness and weather resistance, we've given the "off brands" a new challenge. Engineered with an optimized blend of materials and production methods that all add up to unmatched confidence – and value.
