

## LION SAFARI UT™ 1300

For Motorhomes, 5th Wheelers, Travel, LQ, Dump, Cargo Trailers

**We provide portable power that is silent, safe, and renewable. It gives you the freedom to go camping where you want, be prepared for emergencies, and power your work and play anytime, anywhere.**

The new Lion Energy Safari UT replaces lead acid batteries with more efficient and long lasting lithium batteries. Enjoy all these great benefits over lead acid:

- Last Longer - Lifetime warranty (3500+ discharges to recharges)
- Longer run time - Camp 2x longer, lift and dump 4x more on a single charge
- Zero maintenance - Retains charge up to 2 years
- Weighs less - Only 23 lbs and is standard Group 24 size
- Fast charge time - 15% faster with build-in Battery Management System
- Easy to use - Plug and Play replacement for lead acid batteries
- Green safe - No emissions, no carbon footprint during use

### LIFE ON YOUR TERMS

- Freedom to go and power your life
- Be prepared for any emergency
- Power work and play anytime, anywhere
- Portable, renewable energy
