

Jonard's diagonal cutting pliers are made of polished chrome vanadium steel and are heat-treated for maximum strength and durability. These diagonal cutting pliers feature the following:

- Induction-hardened cutting edge to provide a clean cut every time
- 0.030" and 0.045" stripping holes, crusher, and two V-shaped stripping notches on the edges
- Ergonomically designed handle with dipped plastic grip for greater comfort and torque
- This product complies with ASME B107.11 and ISO 5749 standards

#### SPECIFICATIONS
