EZ-VIKING™ Crimp Tool

The patented EZ-VIKING™ Crimp Tool was developed to meet the most demanding network performance. This single function professional crimp tool, is precision manufactured to the highest international standards and delivers the highest quality and consistent **modular plug terminations available.**

- Terminates EZ-RJ45® Cat 5e/6 regular & shielded (external or internal)
- Parallel action for precision crimping
- Optimizes termination of Cat 5e and Cat 6 shielded connectors
- High leverage ratchet action ensures full crimp cycle
- Highest quality/durability – minimum of 50,000 cycles
- Zero flex frame prevents torque loss during the crimping cycle
- Tool steel die provides 360 degree of connector support during crimp
- Flush trim on the EZ-RJ45® extended conductors.
- Tool is factory set with a precise eccentric cam adjustment function to guarantee performance.
- Safety release
- Made in Sweden

APPLICATIONS:

High-End Data Centers
Aerospace
Broadcast

PLATINUM TOOLS®

EZ-VIKING™ Crimp Tool

Compatible Connectors

The EZ-RJ45® Connectors simplify twisted pair terminations by allowing the wires to be inserted through the connector and out the front, to easily verify the proper wiring order.

Cat 6 shielded
external and
internal ground
