

# Fiberglass Folding Ruler

Cementex composite folding rulers are waterproof and wear resistant. The rugged polyamide is reinforced with 30% fiberglass which is hard enough to be scratch resistant, yet has flexibility and strength. Cementex ruler won't warp or swell like wooden folding rulers. The deeply embossed scales won't wear away under harsh working conditions.

There are a variety of blade styles for many different applications:

- English / Metric
- 6 Foot max length

Description	Part Number	Weight (Lbs.)
6 Ft. Fiberglass Folding Ruler: 1000V	CP6FFR	2
