

# Cementex 8" Cable Tie Cutter

**Cementex**

**The Safety Tool Specialists**

**Don't use these, use this...**

- Innovative design utilizes two safety guards at the working end, which gently slide behind the cable tie strap for safe and easy removal without the risk of damaging bundled cables and/or wires
- Designed to fit your hand more naturally, to maximize comfort for operation
- Heat-treated alloy steel forged blades for strength and durability
- Rockwell hardness 53-58
- Works on cable ties: with 18 lbs tensile strength

Cementex double-insulated tools:

- Comply with IEC 60900 standard
- Help you meet requirements of OSHA Safety Related Work Practices, NFPA 70E Standard and CSA-Z462
- Made in the U.S.A.
- Marked with the international safety symbol -  1000V
