Feature Packed for Superior Value...

Greenlee is pleased to announce the introduction of our **NEW** Digital Multimeters. Part of a great value is having exactly what you need in a tool. Frequency, capacitance, duty cycle, temperature, battery test and analog bar graph are just some of the features available on these meters. All are designed for increasing efficiency on the job.

- CATIII 600V to 1000V safety ratings
- Large, easy-to-read displays
- Lifetime Warranty
- ETL and CE approved
- Feature packed
- Manual and auto-ranging
- Replaceable fuses for easy field repair
